Annual **AUCTION SALE**

of Famous Purebred Shorthorns

MERRYVALE FARM

GRANDVIEW, MISSOURI

October 27th, 1942 • 1:00 o'clock p.m.

REGARDING THE OFFERING

● No American sale in 1942 will contain fifty Shorthorns more outstandingly uniform or of higher relative quality than those to be offered October 27th, at beautiful Merryvale Farm, Grandview, Missouri. No American breeder has made a greater effort during the past two years to secure the blood of the best in the land in order to produce a more perfect product than Russell Kelce, popular owner of Merryvale Shorthorns. Those who attend this sale will be asked to judge for themselves, the results of those efforts.

The fourteen bulls that will be sold are headed by the outstanding champion Merryvale Tip. The uniformly even, rich dark colors of the other bulls in the sale makes this sale a mecca for all who need breed-improving bulls of correct type and approved bloodlines.

Twenty-eight females comprise the number of heifers that are safely settled in calf to the breed's most outstanding modern sires. You can buy heifers with flawless breeding mated to the great young Imp. Beaufort Command, a recently imported junior sire that stood second to the 1942 Perth reserve supreme champion. Others will carry the service of Millhills Senator, rich red son of the \$15,700 Perth Supreme Champion Imp. Millhills Ransom, and Merryvale Tip, undefeated 1942 senior champion of the fall show circuit. There are also outstanding heifers mated to the 1939 and 1940 Perth Supreme Champions, Imp. Calrossie Mercury and Imp. Calrossie Prince Peter. No sale in America can match this array of value.

Eight open heifers include show and breeding prospects that have been especially selected for quality, conformation, color and dependability. They are the kind that are eligible to go into the foremost breeding herds of America.

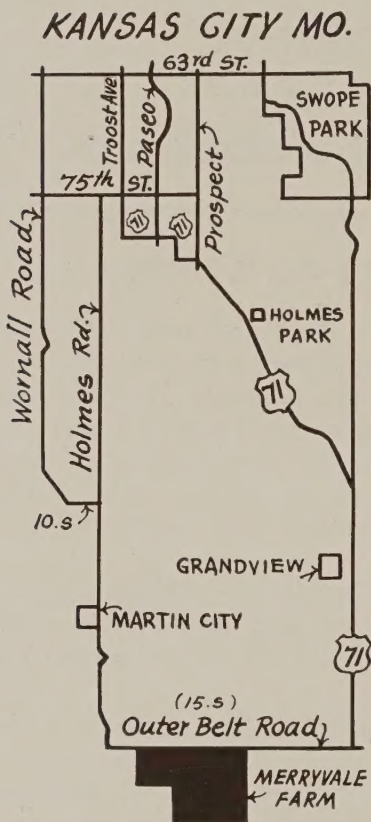

Wise investments now will place your herd on a higher relative basis in the vital business of essential production of Shorthorn seed stock. The world needs more and better meat and this demand can best be supplied through liberal use of Shorthorn blood. Substantial and permanent profits await breeders who can furnish the type and numbers now in demand.

A hearty welcome awaits you at Merryvale, October 27th.

CLINTON K. TOMSON, *Sale Manager.*

L. RUSSELL KELCE
Owner

A Cordial Invitation...

I do not profess to be the first fellow who ever looked at his herd of fine purebred Shorthorns and wished that he could "call off" the sale and keep them all—but they do sort of get "under your skin" or "into your blood" as the sayings go.

Further, I would be denying the truth if I would tell you I am not mighty proud of the great improvement made in our herd during the past two years—and that I am not mighty proud of the many, many prizes our animals have won in the show ring during the past several months.

In this sale I am confident that we have the finest lot of animals ever offered since the Merryvale herd was started 28 years ago. I want you to see these animals. Inspect them closely. You will find each and every one exactly as represented in this catalog.

You, an experienced breeder, will know, of course, that outstanding Merryvale females and herd bulls are making enviable records on good Shorthorn farms throughout America.

But, with apologies to Lucky Strike, the 50 lots we are offering October 27th are the "Cream of the Crop." See them for yourself and I am sure you will agree.

Join with us on sale day, October 27th. You will find a cordial welcome awaiting you.

A handwritten signature in dark ink that reads "L. Russell Kelce". The signature is written in a cursive, flowing style with a large initial "L".

WM. MILNE, JR.
Manager

From the Herd Manager...

I have been in charge of the Merryvale Shorthorns for thirteen years—long enough to have seen many changes in the popularity of blood lines and individual type and breed character. This herd, I believe, has kept well abreast of the many changes for breed betterment.

True, when I came here I had a good herd of cattle to work with. Mr. Fred Merry, the founder of the herd, spared neither time nor money in assembling a good foundation, and had the advice and help of the best Shorthorn authorities of those days in making selections that have added much to Shorthorn improvement.

When Mr. Porter took over the farm and herd he, like Mr. Merry, was very critical of the additions made from time to time, especially in the quality of the herd sires brought into the herd.

The past few years under the ownership of Mr. Kelce we have not only added outstanding bulls as herd sires, but have also acquired quite a few of the choicest females available, many of them with show and sale records that would add prestige to any herd.

So, with this cooperation on the part of all interested, financially, and with sincere consideration of the best interests of Shorthorns at heart, I can honestly say that the cattle we are offering in this sale are far superior to any sale offering ever made by Merryvale Farm.

A careful study of the pedigrees will disclose many of the breed's greatest individuals, both as to quality and productive ability, and topped by such sires as Anoka Omega, Imp. Cluny Envoy, Browndale Hero, Millhills Senator, Supreme Goldfinder and Imp. Beaufort Command, the last four still in service in the herd, breeders may expect, and will find, many animals that will add strength to their good herds. Please remember we at Merryvale are Shorthorn enthusiasts, and it will always be our aim to produce cattle that will not only be a credit to Merryvale, but a distinct contribution to the breed's advancement.

WILLIAM MILNE, *Manager.*

MILLHILLS SENATOR—The soundness and wisdom of the purchase of Millhills Senator, son of the \$15,700 Imp. Millhills Ransom, has been substantiated by the outstanding excellence of his progeny. No student of pedigrees could fail to overlook the wealth of choice breeding that is responsible for the uniform characteristics of his sons and daughters. Few bulls in service today have produced as large a proportion of rich red, extremely low-set, deeply fleshed calves. In addition to the many sons and daughters that sell in this sale, many young bred heifers carry his service.

The most notable winnings include junior and grand champion bull, junior champion female, first prize get-of-sire and best-pair-in-show. His calves at Merryvale are outstanding and attract the favorable attention of all visitors. We will be glad to show them to you. It is regrettable that through an injury, the service of Supreme Goldfinder has been temporarily lost to the breed. We are hopeful for his recovery, however, and do have several sons and daughters at Merryvale. Be sure to see them October 27th.

IMP. BEAUFORT COMMAND—This rich red son of Balthayock Lucky Command stood second in class to the 1942 Perth reserve champion. His grandsire, Cluny Brave Command, was a Perth reserve champion that made a price of 2,200 Guineas. His dam is a daughter of Glastullich Sirdar by the famous sire, Naemoor Jasper. Imp. Beaufort Command has just been added to Merryvale's impressive line of sires. His type, character and color will make him a favorite with all. Buyers at the 1942 Merryvale Production Sale will have an opportunity to secure some of the first and best Merryvale heifers mated to him. Be sure and check every animal that carries his service. They will add great value to your breeding herd.

BROWDALE HERO—Browndale Hero is a result of the famous "Perfect Nick," the universal designation for the fusing of the blood of Browndale Pilot and Browndale Star. Daughters of Browndale Hero have established widespread prestige for their performance as excellent mothers and we value many of them here at Merryvale as our best producers. Two of the best animals in the sale are sired by Browndale Hero. Because of the large number of his daughters which are now in the breeding herd, this great sire was recently sold to Bill Hacker, Jefferson, Oklahoma, who is founding an outstanding herd of Shorthorns.
